

Recommendations

IEEE
SECTIONS
CONGRESS
2017

2. Develop an incentive program for corporations to join IEEE as 'Corporate Member'

Recommendations

IEEE
SECTIONS
CONGRESS
2017

5. Develop (or expand existing) training programs and/or create partnerships with external organizations to allow members to provide STEM activities to pre-college students.

Provide 'canned' or 'in a box' style demonstrations and presentations that local Sections can deliver to pre-college students. Re-evaluate a 'Junior IEEE' membership program targeted at pre-college students.

Recommendations

IEEE
SECTIONS
CONGRESS
2017

16. Strengthen and recognize Industry/Academia/Government Collaboration/Partnerships

- > Create a Section Award for Industry/Academia/Volunteer collaboration
- > Organize multidisciplinary Industry/Academia/Government events focused on 'hot' issues
- > Develop a public communications platform to develop projects and share results
- > Create a 'dating' platform to communicate industry issues searching for solutions and possible 'applications' of research results
